giftable greetings™

*S*hakespeare was an incredible man of words and throughout his works he often used the phrase, “A Thousand,” to convey tremendous meaning. To say something once was simply not enough. To say something “a thousand times,” made it unforgettable and even indelible.

A Thousand & Co. pays tribute to this ideal with twelve timeless sentiments, beginning with the words, “A Thousand.” Imagine receiving a beautiful greeting card or charming gift, featuring the simple words, “a Thousand Thank You’s,” “a Thousand Congratulations,” or “a Thousand I Love You’s.” Irresistible? Yes, indeed!

This copyrighted & trademarked collection of “giftable greetings” features stationary, gifts, wrapping and the ultimate gift, *Charmed Cards*! But, what are *Charmed Cards*, you ask? They are elegant panel cards featuring “A Thousand” sentiments, along with charm necklaces that echo the greeting on each card. These *Charmed Cards* are sweet, petite and ready for gift giving.

As mother & daughter designers, we are passionate about creating greetings and gifts that will be treasured, for a thousand years!
